Firstly can I say thank you to all participants in the 2010 speed series and congratulations to the class winners and Barbara Alexander-Mark the Ladies Award. It was very encouraging to see that 17 people took part in our first year and hope that next year a few more people will register.

Speed series entrants have competed at Mamhead, Gurston Down, Clay Pigeon, Castlehill, Wiscombe, Werrington, Debden, Brighton, St Eval and the new hillclimb at Manor Farm Chard.

Well done to Adam Gallaway winning the class at the Mutley Mayhem Sprint at Clay Pigeon and Gordon Iles had an unusual way to gain 8 points by crossing the finish line at Wiscombe upside down. A photo or catchpole type cartoon of Gordon would have been great to attach to this report.

As you can see from the table above some classes had no entrants, and over the winter we will discuss whether to amalgamate classes or bring our classes inline with those of other clubs' championships ready for 2012 when we hope to run a full championship with designated venues. So far we have quite a few of South West Motor Clubs offering to give us our own class at their events, but still need to pursue clubs in other parts of the country as our members are spread across the UK.
